Dear Parents/Guardians:

Chancellor's Regulation A-413 is a regulation that governs the use of cell phones, computing devices and portable music and entertainment systems on school property.

This letter describes our 2020-2021 P.S. 38 school wide policy for Blended and Remote Learning. The following guidelines are in effect:

1. **Blended students** may bring cell phones and computing devices to school, but they may not be turned on or used in school until dismissal. **All electronic devices must remain turned off and stored in students' back packs on days of Blended Learning.**
2. **Remote Learning students are in school also. Remote students may not have cell phones, or other electronic devices turned on during school hours from 8:30 A.M – 2:00 P.M.** Remote students may only use the device that is being utilized for remote learning.
3. **P.S. 38 is not responsible for any lost, broken or stolen cell phones or computing devices.**
4. If a student needs to contact a parent, the student may come to the Main Office. Parents can contact their children through the school's telephone number 718 528-2276.
5. Any student who turns on or uses a cell phone, computing device or any other electronic device is in violation of the DOE's Discipline Code, the school's policy, this regulation, and/or the DOE's Internet Acceptable Use and Safety Policy. These students will be subject to discipline in accordance with the guidance interventions and disciplinary responses set forth in the Discipline Code.

If you have any questions, please contact myself, Mrs. Edouard or Mrs. Goodman at the school (718) 528 -2276.

Thank you.

Sincerely,

Julia Soussis
Principal
